EARLY BOOKING DISCOUNT (\$50 Prior to 1/25/03) \_\_\_\_\_

SPECIAL CONSIDERATION TO PROVEN MARES \_\_\_\_\_

**TERMS & CONDITIONS:** I, the undersigned, agree:

1. Stallion fee includes a non-refundable breeding deposit of \$100.00, payable with this contract. The balance of \$800.00 (less discounts) must be paid before shipment of semen along with a \$175.00 fee to cover the Equine Express box, Fed Ex shipping, collection and lab fees. Special handling and certain shipping areas will require and additional payment. Call stallion owner for estimated costs.
2. Maple Lane Farms assumes responsibility only to deliver live semen in viable condition. The first dose of semen must be administered on the day of delivery or Maple Lane Farm shall be considered to have fulfilled all contractual obligations. If shipments are required for more than one heat cycle during the breeding season, an additional charge of \$175.00 per cycle will be required to cover the cost of semen collection and preparation, Equine Express box and Fed Ex shipping.
3. The mare must be examined by a licensed veterinarian between 50 and 55 days after the last administration of the semen, and Maple Lane Farm must be notified in writing of her pregnancy status. Said notification must be executed by a licensed veterinarian and received by Maple Lane Farm within 10 days after the examination.
4. This contract contains a "Live Foal Guarantee". A live foal is described as a newborn foal which stands and nurses without assistance. If a foal is born dead there are return privileges only if the Stallion Owners are notified within 10 days and receive a veterinarian's statement confirming death. Rebreeding is subject to contract requirements and costs for the year rebreeding occurs.
5. If the Mare Owner at any time fails to satisfy one or more of the conditions set forth above or does not follow the Transported Cooled Semen Procedures, the Stallion Owner shall thereupon be deemed to have satisfied all duties herein and will not be obligated to deliver additional semen to the Mare Owner. In addition, if said stallion is not alive and breeding sound during the next season, or is unavailable due to sale, Mare Owner and Stallion Owner will be released from this contract.
6. Mare Owner agrees to notify Maple Lane Farm within 10 days of live foaling (defined as a foal which stands and nurses).
7. A "Breeding Certificate" will be issued for the foal, conceived by this mating when the Stallion Fee and all other expense have been paid in full; and, when the mare has produced a live foal by this mating.

8. All parties agree that Maple Lane Farm and John & Lori Sticklen and any other persons associated with Maple Lane Farm are not liable for death, sickness and/or accident including consequential damages caused by this breeding.

9. The Stallion Owners guarantee that the stallion is to be subscribed to the American Paint Horse Association Breeders Trust and to the American Quarter Horse Association Incentive Fund for the 2003 breeding year.

10. That this Contract constitutes the entire agreement between the parties and same may not be amended or modified, except by a mutual exchange of written instruments, nor may this contract or any rights or obligations hereunder be assigned without the prior written consent of all parties.

11. That this contract and the terms thereof shall be governed by the laws of the State of Illinois.

When Mare Owner and Stallion Owner sign this contract, it will be binding on both parties, subject to the above terms and conditions.
